Matthew 28:18-20 (King James Version)

¹⁸And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth.

¹⁹Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

²⁰Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.

Mark 9:22-24 (King James Version)

²²And oftentimes it hath cast him into the fire, and into the waters, to destroy him: but if thou canst do any thing, have compassion on us, and help us.

²³Jesus said unto him, If thou canst believe, all things are possible to him that believeth.

²⁴And straightway the father of the child cried out, and said with tears, Lord, I believe; help thou mine unbelief.

Ezekiel 37

¹The hand of the LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones,

²And caused me to pass by them round about: and, behold, there were very many in the open valley; and, lo, they were very dry.

³And he said unto me, Son of man, can these bones live? And I answered, O Lord GOD, thou knowest.

Mission: Impossible is an American television series which chronicled the missions of a team of secret American government agents known as the Impossible Missions Force (IMF).

The series follows the exploits of the Impossible Missions Force (IMF), a small team of secret agents used for covert missions against dictators, evil organizations, and crime lords.

The IMF forms teams made up of part-time agents who come from a variety of professions, choosing their operatives based on the particular skills necessary to the mission. There is a core group of three or four agents who are regularly chosen, but the episodes do not always feature the same regulars, and many episodes feature one-time guest star agents who have unique abilities.

Most episodes begin with the leader of the IMF getting orders from a hidden tape recorder and an envelope of photos and information which explains the mission. The tape always begins with "Good Morning Mr. Phelps ", explains the situation, and ends with "Your mission, should you decide to accept it", with a brief explanation of the goal of the mission, along with a reminder that "as always, should you or any of your IM force be caught or killed, the Secretary will disavow any knowledge of your actions." At the end of the tape's instructions, Phelps would be notified "this tape will self-destruct in five seconds", and smoke would emit from the tape and the instructions were destroyed.
